Our Student Leaders: Ambassadors for Hope and Achievement

At CAMP AHA, we believe that leadership qualities shine through in diverse ways. We seek to identify and empower student leaders who are not just academically strong, but who also demonstrate a strong character and a commitment to community.

What Makes a Student Leader Truly Special?

- **Academic Achievement:** They maintain a strong academic record despite facing challenges.
- **Outstanding Behavior:** They set a positive example with their conduct.
- **Diverse Leadership Skills:** They demonstrate leadership qualities in various aspects of their lives, including athletics, arts, academics, or through personal initiative.
- **Resilience in the Face of Challenges:** They persevere despite surrounding challenges.
- **Dedication and Accountability:** They are committed to their goals and take responsibility for their actions.
- **Potential for Success:** They inspire others and embody the power to overcome obstacles and achieve greatness.

A Collaborative Approach to Finding Leaders

Our selection process is a collaborative effort between CAMP AHA and our school partners. We work closely with school counselors and teachers to find students who demonstrate a unique blend of potential and perseverance. By focusing on these core qualities, we ensure that the students who participate in our program are ready to be empowered and inspired.

From Mentorship to Impact

The students who participate in CAMP AHA are not just receiving a mentorship. They are part of a program that is designed to empower them to become agents of change in their communities. We are honored to be a part of their journey and to provide them with the tools and support they need to achieve their dreams.

Sincerely,

CAMP AHA Family
